Association of Surgeons of India**

Subject: Report regarding conduction of CME on ESMO Breast Cancer Updates organised by SGPGI Breast Health Program and Lucknow Endocrine & Breast Surgery Club” in Hotel Renaissance, Lucknow under the aegis of IAES.

Dear Dr Anjali Mishra and Dr Pooja Ramakant,

We, the department of Endocrine surgery at SGPGIMS, Lucknow have conducted a CME on ESMO Breast Cancer Updates organised by SGPGI Breast Health Program and Lucknow Endocrine & Breast Surgery Club” in Hotel Renaissance, Lucknow under the aegis of Indian Association of Endocrine surgeons (IAES). Please find the report of the event, along with the photos. The CME started at 11am on 27th July 2025 with the hall packed with faculties, residents and practicing surgeons, medical and radiation oncologists. All the sessions were well attended, discussed and were on time. The program included trials discussion, panel discussion and case based discussions. More than 125 doctors had registered and attended. The program had a great success in terms of knowledge exchange and practice-changing policies.

Thanking you

Your's Sincerely,

Dr Prof Gaurav Agarwal,
Prof and Head,
Endocrine Surgery Department,
SGPGIMS, Lucknow.
